

July 26, 2010

Dear TMGC Membership,

Over the last few years, the economy has had a significant impact on the golf industry, requiring course owners and operators to look for alternative ways to create new business and keep existing customers happy. We also understand that your support as Men's Club members is extremely important to the past and future success of Topstone Golf Course.

In an effort to promote new membership and say thank you to those who recruit new members, we have decided to initiate a new membership drive over the coming months. The program will allow current members to bring prospective members to the club that might be interested in joining this year or next season. The guest will receive complimentary green fees the day of play and if the prospective member joins the club, the existing member will receive a complimentary round as a token of our appreciation.

If you have any questions regarding this program, please call the shop at 860-648-4653 or email me at tstonepro@comcast.net for more details regarding this program. We hope this is a way to show your friends what your club is all about and allow us to add another member to the Topstone family.

All the Best,

Casey Morris
Head Golf Professional
